DRACHENWALD SHOCK! CALONTIR PLOT?

Shock Winner in Queens Rapier Championship

By Sports Ed

Experienced sports fans were left shocked by the unexpected outcome of the Queens Rapier Championship at the Coronation this Summer. A relative newcomer, Lucrezia Serafini da Roma (21 and quite lovely) was the runaway winner. There was a brief stewards enquiry after the tourney into alleged suggestions of collusion, but Don Antonio, last seen walking away from Baron Pol said that 'nothing was out of order in the Baron's explanations and 'would we excuse him whilst he went to the Bank'. Spectators noted that the Queen had said that any tactics were entirely reasonable, and that approval was given by the Royal Couple Queen Morrigan (21 and quite lovely) and King Lief (92) by the AoA to Lady Lucrezia, bless 'em!

**CALONTIR
BAGGAGE
SHOCK!
Forgotten Sea?
Forgotten Luggage!**

By Political Editor

News was coming in today that the Queen's baggage, raided by the forces of the Luft Hanseatic League had come to light in the Barony of Forgotten Sea (mka Kansas City Airport)! It remains to be seen whether the Heirs Coronets, and the massive wardrobe of Her Majesty remain inviolate. Drachenwald sources indicate that this is taken "Very seriously" and rumours of Military Manoevers continue. Ye Sunne did not contact anyone in Calontir. More news as it comes in, in Ye Sunne, the paper you can TRUST!

A self proclaimed 'noted' Drachenwald Scientist was quoted as saying today, "The chances of anyone reading anything on page 2 today, rather than flipping straight on to page 3 is miniscule. Frankly, I don't know why I'm even

bothering talking to you. Oh, but the chances of anything coming from Mars are a million to one" he said. Don Antonio di Rienzo Ruspoli (95) said in a statement that he, "Didn't know why ye Sunne was bothering with his opinion."

NEW ADDICTIVE PLAGUE STRIKES DRACHENWALD!

By Crime Editor

A new scourge is sweeping the taverns and bawdy houses of Drachenwald, and one, ye Sunne learns, which has been deliberately introduced. Compulsive Addictive Humour (CAH) outbreaks have been spreading wildly, with Drachenwald specific mutations being reported in the wild.

Ye Sunne has investigated deeply into the source of this outbreak, and can learn the horrifying truth! It was deliberately introduced into Drachenwald by a 'Moll Cutpurse' type figure, who our sources identify as one Juliette Cavalierri, one of the cabal of ladies known as 'The Roaring Girls'.

Ye SUNNE has also learned that this rot has spread such that even respectable individuals such as peers have succumbed to its infection. In truth this CAH is a caution, which must be shown the red Card, against Humanity!

Queen Morrigan (21 and quite lovely) with her Seamstress Lady Alyna Morgan (21, and also lovely) who stepped into the breach by providing a new ensemble for the Queen from her own Wardrobe, when the Queen's clothing was ambushed. Queen Morrigan worries about interkingdom politics, and enjoys planning an Empire!
